SUPPLIES WERE CUT OFF.

Appeal to the General, Dr. Munson Says, Was for Two Days Unheeded.

SHAFTER MAKES FULL DENIAL

Emphatically Declares He Will Not Be Held Responsible for Any Lack of Medical Supplies.

NOTHER page, and a large one, in the history of the ills and miseries borne by the sick soldiers about Santiago was furnished yesterday in the report of Assistant absence of proper medical supplies at the time and place they were most needed, and, therefore, inferentially responsible for the unsuccored condition

It is but fair to add that Major-General Shafter denies these charges and declares himself blameless.

#### STRANGE CHARGES AGAINST SHAFTER.

Surgeon Munson Accuses Him of Neglecting Sick and Wounded.

Washington, Aug. 8. - Surgeon-General Sternberg has received the following report concerning the conditions existing at Santiago, medical supplies, transportation and other features connected with the expedition to Santiago under General Shafter. The report explains what has been done by he medical department and gives the disadvantages under which the department operated in Cuba:

"Tampa Heights, Fla., July 29, 1898. To the Surgeon-General U. S. A., Wash-"Sir-In view of the recent charges made

effecting the efficiency of the army medical affecting the efficiency of the army medical department at Santiago, and especially with reference to the conditions prevailing on the hospital transports sent North with wounded, I have the honor to submit the following facts, believing that my position as adjutant to the chief surgeon. Fifth Corps, and as the officer in charge of the outlitting of the hospital transports Iroquois, Cherokee and Breakwater, may possibly give value to such report.

Enough Supplies Sent.
